

BEIT AHARON בית אהרן

How the Enlightenment Changed Judaism Forever

3-part series

Why did the Enlightenment have such a major impact on the Jewish community? What were the different Jewish responses? From charedi to secular, we are all post-Enlightenment Jews.

Beit Aharon's Rabbi Shamir Caplan will examine some key aspects of the Enlightenment. How these presented challenges and opportunities for Judaism, ultimately leading to all the different denominations we have today.
