Reflections on a Sabbatical in Southern Italy

Scuola Nuova Synagogue, Traini

During 2015 long-term Beit Aharon members Railea Abrams and Harold Zwier took a six month sabbatical from their daily lives in Melbourne.

They spent most of this time living in Southern Italy and magic happened!

They explored from their base in the Puglia Region of Southern Italy. This included the rich yet sad history of local Jewish communities.

In addition to their travels across the Puglia Region, Railea Abrams will also reflect on their side trips to Croatia and the South of France.

Thursday 7 April 2016, 8pm

At the home of Lorraine Smith
35 Otira Road, North Caulfield
